SUBJECT:

[DOCKET NO. 2014-187-E](#) - Application of South Carolina Electric & Gas Company for Approval to Revise Rates under the Base Load Review Act - Discuss this Matter with the Commission.

COMMISSION ACTION:

Move that we approve South Carolina Electric & Gas Company's request for revised rates to yield additional revenues of \$66,238,000. This is a reduction of \$3,800,000 from the Company's original request. The \$66,238,000 figure reflects actual Construction Work in Progress (CWIP) amounts through June 30, 2014, and is consistent with the recommendations of the Office of Regulatory Staff (ORS). The Company concurs with this recommendation. Under the Base Load Review Act, this Commission must give substantial weight to any agreement between the Company and the Office of Regulatory Staff on the revised rates to be implemented. Although comments were received that opposed the increase, no party disputed the findings of the ORS. Therefore, I move for approval of the revised rates addressed above, effective on October 30, 2014. I also move that the Company file revised tariffs reflecting the rates yielding the approved additional revenue within ten days after receipt of the Commission Order in this matter.
